Andrew Ussher - was born in Trinidad in 1964 where his parents Danny & Audrey Ussher served the Lord for almost 40 years. He, along with his sister Eleanor, immigrated to Canada in 1973 for educational purposes, and for the ensuing years of his childhood and adolescence he lived with his aunt and uncle in Toronto. Andrew was saved in 1974 during special gospel meetings with Jack Noble and Malcolm Radcliffe, and later was baptized, and received into the fellowship of the assembly meeting in the Bracondale Gospel Hall in Toronto. The Bracondale assembly relocated and for the past twenty years or more Andrew and his wife Rachel have formed part of the assembly meeting in the Langstaff Gospel Hall. While maintaining secular employment, Andrew has been active in teaching in his own local assembly, as well as helping on occasion at conferences and other teaching forums in various assemblies across North America.

Colin Hutchinson - was born in St Andrews Scotland in 1960, into a Christian home and appreciated the spiritual example of godly parents. Colin was saved in 1971 under the preaching of Alex Dryburgh, baptized and received into fellowship in subsequent years. In the ensuing years he had the privilege of sitting under the ministry of some great and godly men from Scotland, Mr. Jack Hunter, Mr. Albert Leckie and Mr. Robert Macpheat to mention but a few. Colin married Heather in 1990, have three grown up sons, Calum, Angus and Ewan. Colin and Heather are in happy fellowship in the Gospel Hall Kinross, Scotland where Colin combines secular employment with his role as an elder in the assembly and engages in the teaching of the Word of God throughout the U.K., Ireland and further afield.

John and Michelle Dennison - were commended to the Lord's work full-time in January 1991 from the Stark Road assembly in Livonia, Michigan. They worked in English in the USA and Canada until 1997 when the Lord opened the door for them to learn Spanish. Since then, they have had the privilege of working in new Spanish gospel works in Phoenix, Arizona and several places in Northern Mexico. Seeing God save souls in new areas and plant assemblies has been an undeserved and priceless blessing for them and their family. After living in Hermosillo, Mexico for five years, they returned to Phoenix in 2010 for the university education of their four sons. Since then, John has primarily focused on helping Spanish works in the USA and Mexico through gospel series, ministry and conferences. In addition, he has been involved in a Spanish publishing work, been an associate editor for Truth and Tidings Magazine, and shared in oversight in Hermosillo and West Phoenix assemblies.
